

SMS + REBATES

A Modern Channel for Consumer Engagement and Offer Distribution

Put your brand in the hands of consumers through the power of **SMS + REBATES** from Inmar.

Your brand can activate offers on a national scale and establish **1:1 CONVERSATIONS WITH CONSUMERS** – enabling product awareness, inciting trial and correlating a direct attribution to sales.

Flexible, simple, easy-to-redeem rebates programs with near real-time electronic payments to shoppers.

Low friction consumer flows enhance consumer engagement through modern rebate distribution channels.

A retailer-agnostic solution – consumers can save no matter where they buy a product tied to an offer.

Age and state gating capabilities for brands and verticals where confirming a consumer's age is essential.

Amplify consumer exposure for offers when tied to Inmar's targeted media and high-quality social influencer content.

Full funnel consumer insights paired with explicit consumer opt-ins enable smart segmentation and re-targeting for future campaigns.
