Redemption at the Store

1. Coupons are redeemable and valid only in the United States of America, Military Commissaries and Exchanges in the United States of America, its territories, Puerto Rico, and US military bases overseas.

2. Coupons are redeemable only by an individual consumer in a retail transaction when the consumer purchases the brand, variety, size and/or quantity of product indicated on the applicable coupon, prior to the expiration date, and Retailers deduct the face value of the coupon, or up to the maximum value of ‘free’ coupons (currently $9.99), from their retail price.

3. Coupons must be redeemed by the consumer on or before their expiration date. Only those coupons received by Gorton’s manufacturer clearing agent within six months of their expiration dates will be honored.

4. Coupons have a cash value of 1/100 ¢. Consumer must pay any and all applicable taxes on Gorton's products.

5. Multiple coupons may not be used for the purchase of a single item. Only one coupon shall be honored for each item purchased.

6. Coupons are void where prohibited, taxed or restricted by law; when in mint or mass cut condition or uniform mix; or when reproduced, altered, or transferred from or sold by their original recipient to any other person, firm or group.
7. A coupon contained in or on a product package will not be good if it is removed from the package or offered for redemption in connection with the purchase of that package of the product or any other package of the product from which it has been removed. Such a coupon is good only when the customer has purchased the packaged product containing the coupon and then offers the coupon for redemption in connection with future purchases of packaged product which have not been opened or altered in any way. Note: This restriction does not apply to coupons that are designed as “Instant Redeem” coupons.

8. Gorton’s will reimburse Retailers for (i) the face value of each properly redeemed coupon, or if the coupon calls for free merchandise, for the Retailer’s selling price up to the maximum value (currently $9.99); plus (ii) the handling fee of $0.11 as stated on the face of each coupon; plus (iii) reasonable out-of-pocket costs incurred for the physical transportation of the coupons to Gorton’s or to its authorized agent. **Gorton’s will not pay for any ancillary, administrative or consolidation charges/fees and, except as described in (b) below, Gorton’s will not pay any other upcharges that Retailer to its agent (if Retailer uses one) may assess on or in lieu of such pass-through/out-of-pocket expenses.** The transportation costs will be reimbursed as follows:
   
a) For Retailers who sort the coupons they have redeemed and submit them directly without the use of any third party agent, Retailer will be reimbursed for incurred reasonable postage (i.e. first class mail insured) or other reasonable shipping charges, as indicated on the package received.
   
b) For those Retailers that are using a clearinghouse or billing agent, Gorton’s will reimburse Retailer at a rate equal to $5.00 per thousand of coupons redeemed ($5/M).

9. Postage will be reimbursed at a rate of up to $10/1,000 coupons ($.01/coupon).

10. In a two-count process, Gorton’s actual count of coupons received will be final and shall govern the reimbursement thereof. In a one-count process the third party actual count will be accepted by Gorton’s and its manufacturer clearing agent. However, occasional audits of the one-count process will be performed to insure the integrity of the third party count. Any discrepancies will be brought to the attention of the third party.

11. Gorton’s reserves the right to deny reimbursement, retain and declare void, any coupons presented for redemption upon any of the following situations: mint or gang cut condition, uniform mix, reproduced or altered coupons are submitted for reimbursement; Retailer has insufficient stock to cover the number and type of coupons submitted; Gorton's is unable to verify Retailer’s address or business operations; or any redemption procedure or reimbursement claim is not in accordance with the terms of this Policy. Gorton’s reserves the right to forward submitted coupons to law enforcement agencies for review.

12. Coupons must be presented to Gorton's either by Retailers or a retail clearing agent approved by Gorton’s or its manufacturer clearing agent. Submissions by unauthorized intermediary agents will not be accepted. Disclosure of redemption data to a third party or intermediary party is prohibited. Gorton’s or its manufacturer clearing agent will not reimburse those Retailer coupons submitted on behalf of another Retailer, in so far that one or both of such Retailers have been placed on a “no pay” status by Gorton’s and disclosed to such Retailer.
